Imm, immediately	Triangle, triangular junction

Thank you for entering the LVIS Audax - Barry's Jaeger Bomb.

The start venue is the Oldland Common Community Centre behind Redfield Edge Primary School (BS30 9TL).

There will be parking at the hall and some on street in the adjacent roads but if you can ride to the start or share lifts then that will really help keep the nearby residents happy.

You will need to sign on in the hall before the start and collect your brevet card, there will also be tea, coffee and biscuits available to set you up for the day. We are collecting donations this year to support LifeCycle and Parkinsons UK.

The first control is the Cotswolds Discovery Centre Cafe on the outskirts of Northleach (75km) where we will be waiting to stamp your cards. The cafe doesn't open until 9:30 so faster riders may want to carry on into Northleach to the Black Cat Cafe after getting their cards stamped.

The second control is a free control at Amesbury (166km). Get a receipt from any shop, cafe or ATM.

The third control is the Barton Inn, Barton St David (244km), where you should pick up a sticker for your brevet card from the bar. There will be a mobile fish and chip van there from 5pm until about 8pm. The pub also does pizzas, or you can pick up something at Glastonbury which is just 9km up the road.

Other options for refuelling en route are Tetbury (39km), Cricklade (101km), Wootton Bassett (114km), Castle Cary (232km), Glastonbury (253km).

Hot food, drinks, cake and a warm welcome will be waiting back at the HQ at the finish.

Please call 07740 467077 if you abandon so that we are not waiting till 3am for you if everyone else has finished!

If you have a GPS device, the route can be downloaded from RideWithGPS: <https://ridewithgps.com/routes/26897992>

If you have never ridden an Audax before then it would be worthwhile reading the FAQs on the Audax UK website that can be found here: <http://www.aukweb.net/faq.htm>.

We look forward to seeing you in September.

Go Vegas!
